

**CASTA DIVA GROUP SPA**

**REVENUES PRO FORMA 2023 AT €114m (+36,4% ON 2022).**

**Milan, February 7, 2024**

Casta Diva Group (CDG:IM) ("CDG" or "the Company"), listed on Euronext Growth Milan and operating internationally in the communication sector, announced today that its Board of Directors, in its meeting held today, has reviewed the preliminary consolidated revenue figures for the fiscal year 2023. These figures, not yet subject to legal audit, closed at 114 million euros, marking a growth of 36.4% compared to 83.6 million euros in 2022, and an increase of 2.4% over the forecast indicated in the 2023-2026 Industrial Plan announced on November 23 of the previous year for the fiscal year 2023. Regarding the revenue growth in 2023, it is noted that this was partly due to significant organic growth, which recorded an 18% increase compared to the previous year, and partly due to the acquisition of a 99% stake in Akita Film Srl during the 2023 fiscal year.

*"We are pleased with the revenue achieved in 2023," states CEO Andrea De Micheli, "which presents (once again, after 2022) the best ever for Casta Diva and leads us to confirm the targets of the 2024-26 Plan. Almost all operating companies have reached or exceeded their goals. Excluding the contribution from E-Motion, which will be acquired in 2024, the 2023 revenue closed at 111 million euros with an actual growth of 33% over 2022. Beyond the figures, these numbers indicate a vibrant vitality of our offering and the continuation of our growth, in line with the name of the market where we are listed: Euronext Growth Milan. 2023 has also brought us another stock market record: according to a recent study by Azimut Direct, we were the most 'liquid' company among the 203 listed on the EGM, in addition to having almost doubled our market capitalization: +96%, in a market that fell by 11%."*

The Company notes that the preliminary figures could be subject to change upon approval of the financial statements as of December 31, 2023. It is also reminded that the final consolidated annual data for the fiscal year 2023 will be examined and approved by the Board of Directors according to the financial calendar, and that the data is currently under review by the auditing firm.
